## About AIKTC

The **Anjuman-I-Islam**, Mumbai was founded in 1874 by a small group of devout and progressive Muslims lead by none other than **Dr. Badruddin Tyabji**, Third President of Indian National Congress and the First Indian Chief Justice of Bombay High Court, with a 'desire to see the Muslim Community advance in education and social standing'. It started with one school and today it manages 95 institutions from pre-primary schools to graduate and postgraduate level including, College of Engineering & Polytechnic, Unani Medical College, College of Education, College of Commerce & Economics, Institute of Management Studies, College of Hotel management and Catering Technology, College of Home Science etc. It has a high reputation of being a Muslim minority organization catering to the needs of more than 100 Thousand students from various communities under its umbrella. At present the prime focus of the Anjuman is towards quality education, transparency, growth and of course to become world class.

In the year 2011-12, Anjuman reached its new milestone by establishing its most ambitious Kalsekar Technical Campus (AIKTC) in New Panvel comprising of three disciplines – Architecture, Pharmacy and Engineering and Technology.

## About KRRC

The Central Library was established in 2011. Right from its inception, it has become the "*heart of the campus*". The library aims to fulfill all kinds of educational, informational and recreational needs of the students, teachers, researchers and other users by providing them with variety of services and wide range of Books, Journals, Reference Books, Rare Books, Audio-Visual aids and e-resources.

## Resource Persons

**Dr. ARD Prasad**,  
Prof. & Head, DRTC, Bangalore.

**Dr. Sunita Barve**,  
Senior Technical Officer, NCL, Pune.

**Dr. Nanaji Shewale**  
Librarian, GIPE, Pune.

## About Workshop

This workshop is intended to equip participants with skills for developing their own digital libraries/institutional repositories. There will be lectures as well as intensive hands-on training sessions by experts in the field.

### Objectives of the workshop are as follows -

- To provide background knowledge of the digital library and its related concepts
- Introduce the digital libraries projects done world wide
- General introduction to Linux and Digital Library software with detailed study on DSpace
- To provide hands-on experience in using DSpace software
- To make the participant able to start a Digital Library/Institution Repository using DSpace

## Target Audience

The workshop will be highly beneficial to LIS professionals and teachers and to those involved in developing and maintaining digital collections.

## Registration Details

Participants are requested to register well in advance by sending duly filled registration forms along with Cheque/Demand Draft in favor of "**AIKTC- School of Engineering & Technology**", **Payable Mumbai**.

The registration fees —

**Rs.2500/- per participant**, which includes breakfast, working lunch, tea and course material. Excludes travel & accommodation.

**Last Date for registration is February 15, 2014.**

Accommodation will be arranged by College authorities in nearby Hotels on prior intimation. Payment will be done by the Participant on arrival during Workshop.
