Knowledge Resources & Relay Centre (KRRC) is a first Library in Mumbai in Academic Domain who use QR Code technology in library services from 2012 and first to organized event on it in India.

The main objective of the event to cater the needs of new generation students and keep the librarian updated about the new technology implementation in library services.

The seminar covers the theoretical as well as intensive practical training sessions by experts.

Participants very impressed by our beloved Director sir presentation.

In Practical sessions how to generate QR Code, Scanning, Customisation & experiences of Corporate library i.e. Kaitan & Co. and Academic library i.e. KRRC shared with participants.

After screening the feedback of participants, we found that the event was excellent & informative.
