## AIKTC@GLANCE

Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) is a hi-tech bustling campus spread over 10.58 acres of land, launched with the support of philanthropist Haji Abdul Razak Kalsekar Sahab. Kalsekar Technical Campus is managed by the prestigious **Anjuman-I-Islam Trust**. It is an outstanding technological campus where students are trained & taught by qualified teachers and trainers to attain their full potential. AIKTC provides **Best of Facilities for quality education, research and practice** in all the professional **Programmes in Engineering & Technology, Pharmacy and Architecture, ranging from Diploma to Degree to Post Graduate courses**.

The Campus **aims at developing students into a complete Human Resource**, that needs the highest expectations of the industry and the society at large. It also develops their capabilities to face the challenges of ever changing technical and technological world.

## KRRC@GLANCE

**Knowledge Resources & Relay Centre (Central Library)**, a very special place in the AIKTC campus, with its rich collections of books, Periodicals and eResources in the field of **Engineering, Architecture & Pharmacy**. At Institute, it is a belief to facilitate production & dissemination of knowledge, information, insights & intellect in all scientific communities. The Library stands as your gateway to what is known, and a unique Knowledge Centre that offers essential and specialized information resources and services to meet the growing information needs of clientele.

## ABOUT SEMINAR

Library uses different tools, technology & expertise for their improvement in terms of delivering library services. In some of the libraries their practices become the Best Practice in their domain. If LIS professional share such type of Best Practice among the professional, then there will be a chance for improvement of each & every professional.

To achieve this objective, we had plan the said event to share and learn the best practices which is adopted in different type of libraries.

Many of the young LIS professional who will attend the said event, can implement the best practice at their work place and successfully chase the challenge which they are facing.

### SEMINAR OUTLINE:

**Presentations** of the Resource Persons, aimed at sharing best-practice techniques.

**Presentations** of the participants (Selected 10 Presentations only)

**Buzz Groups**, where participants could discuss the presentations and write down questions for the panel discussion.

**Panel discussion**, where participants had a chance to pose questions to the Resource Persons.

### PRESENTATION OUTLINE FOR PARTICIPANTS:

LIS professionals are requested to send their presentation on or before 3rd March 2018. 10 Best presentations will be allowed to present in front of the panel.

#### Guideline for the Presentation

- Presentation should be based on Practical Best Practice in LIS
- 7-10 slides can be used
- Time: 7 to 8 min. for presentation

**Best Presentation will be Awarded.**
