ANJUMAN-I-ISLAM'S KALSEKAR TECHNICAL CAMPUS

SCHOOL OF ENGINEERING & TECHNOLOGY | SCHOOL OF ARCHITECTURE | SCHOOL OF PHARMACY

Approved by All India Council for Technical Education (A.I.C.T.E.), Council of Architecture, New Delhi, Pharmacy Council of India, New Delhi (in process), Recognized by Directorate of Technical Education (D.T.E.), Government of Maharashtra & Affiliated to University of Mumbai.

Anjuman-I-Islam A proud Heritage

Anjuman-I-Islam is a leading educational conglomerate and social organization of India, established in the year 1874, by a group of visionaries led by Justice Badruddin Tyabji. The Anjuman-I-Islam has an illustrious record of dedicated service to society through education and social service. Today, after 140 years, the Anjuman-I-Islam Trust has blazed a trail and set an unparalleled example in the State. The Anjuman-I-Islam Trust runs over 93 institutions in the areas of Education, Social Service & Health Care. More than One Lakh Ten Thousand (1,10,000) Students are receiving quality education in 83 different faculties ranging from kindergarten to Graduation & Post Graduation Programs in Commerce, Catering Technology, Home Science, Engineering, Management and Unani Medicine.

The Trust also has two hostels, one for boys & one for girls & a Printing Press. The renowned Karimi Library is housed in the head quarters of the Anjuman-I-Islam at C.S.T.

Considering the high educational standards maintained at Anjuman in various disciplines of education, Anjuman-I-Islam is the only institution in the state of Maharashtra which has been awarded the prestigious Maharashtra Government's "State Award 2000" for excellence in educational & social services.

Though Anjuman-I-Islam is India's largest minority institute, its doors are open to all communities. Anjuman-I-Islam is a secular organization known for its National Integration.

& National Integration

ANJUMAN-I-ISLAM'S KALSEKAR TECHNICAL CAMPUS

SCHOOL OF ENGINEERING & TECHNOLOGY | SCHOOL OF ARCHITECTURE | SCHOOL OF PHARMACY

Forge the Best Path with AIKTC

Dear Aspiring Student,

The development and growth of a community and nation depend upon the education system of that country and society. The youth make the entity to flourish and nurture any country or society. Each educated individual is an essential and positive link for the development of the people of a nation in a holistic way. To serve this purpose we have taken the initiative by laying the foundation of Anjuman-I-Islam's Kalsekar Technical Campus at New Panvel. This is a beginning of a new era of a student's odyssey to find knowledge in this information age.

Kalsekar Technical Campus offers Degree courses in Engineering, Architecture and Pharmacy with the attempt to fulfill this vision having a very capable leadership and dedicated faculty and staff. We congratulate Anjuman-I-Islam, Mumbai for paving a path for you to enter into an institution having excellent and state of the art infrastructure as well as careful and competent human resources.

We pray to the Almighty that you succeed in your efforts to contribute to this stellar role of improving your capacities and build strong societies matching the potential of our country.

I wish you all the best with an advice: "Keep away from the people who try to undermine your ambitions. Timid people always do that, but the outstanding ones really make you feel that "You too can become great."

A handwritten signature in black ink, appearing to read 'Haji A. R. Kalsekar'.

HAJI A. R. KALSEKAR

Hon. Founder : Kalsekar Technical Campus

Learn-Achieve-Succeed!

Dear Prospective Student,

I welcome you to "Anjuman-I-Islam's Kalsekar Technical Campus. We have launched into a new era for science and technology at New Panvel. Our vision has been transformed into the newest Hi-Tech Integrated technical Campus, with a scope of 520 intake offering multi-disciplinary degree courses in Engineering, Architecture and Pharmacy. One Campus, Three Colleges. We have just stepped into the fourth year since the inception of the institute and the progressive strides made by the institution and the discipline maintained by the students are indeed commendable.

Anjuman-I-Islam Trust is a trailblazer in the field of Education and Social service. It has foreseen that technology is playing an increasingly central role in our individual lives, in shaping the society and in growing the economy. There is therefore, an ever growing demand for recognized and quality educational programs that allows young aspirants to acquire newer skills and expertise while they pursue their careers.

With the philanthropic support from Haji Abdul Razzak Kalsekar Saheb, the campus is designed to provide not only routine degrees but equip its students with higher-order employability skills and bridge the existing talent gap. It has been our constant endeavor to become India's most progressive and most sought after Muslim minority organization with international acclaim for Innovation, Research, Partnership and International collaborative activities. We intend to produce highly employable graduates of the highest possible quality by forging linkages with business and industry.

Welcome aboard!

A handwritten signature in black ink, appearing to read 'Dr. Zahir I. Kazir'.

DR. ZAHIR I. KAZI

Hon. President, Anjuman-I-Islam

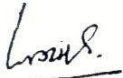

Dream Big!

Dear Aspiring Student,

Congratulations on having committed yourself to join our technical campus.

We are delighted to have you as a student of Anjuman-I-Islam's Kalsekar Technical Campus offering degree programmes in Engineering, Architecture and Pharmacy. The campus is designed to help you learn in a most conducive and disciplined ambience that will help you succeed in your chosen career/venture. At a personal level, we believe that each one of us has a unique personality and a unique set of capabilities. We need to use these capabilities well, and to pursue our dreams with self confidence and self belief. We believe that this educational experience must help you bring out your uniqueness and inspire you to dream big. Therefore, the campus is set up to help you get graduated in the chosen technical field at one level while helping you chalk out the journey of your life at another level. Please make full use of this advantageous opportunity to achieve both these objectives.

Wishing you a very adventurous and exciting learning experience and a very eventful life once you have graduated and this venture marks the beginning of your learning, not an end to your studies!

G. A. R. SHAIKH
Hon. General Secretary, Anjuman-I-Islam

Engineer Your Way to Success!

Dear Future AIKTC-ians,

The knowledge-intensive era requires a very large number of smart, confident, highly skilled and talented professionals to lead the growth of our country. With the fast growing rate of the Indian economy, there is a huge demand for such skilled and talented professionals.

At the Anjuman-I-Islam's Kalsekar Technical Campus, we have put together the organizational learning and insights, gathered over time and combined them with innovative, state-of-the-art delivery mechanisms that will equip the younger generation to take on the challenges both, in India and overseas.

At the same time, we wish to partner and collaborate with foreign universities and institutions, to bring in academic excellence, rigour and industry relevance to the courses that are offered to the students. This, along with a dedicated set of academics and professionals, will provide the students of Kalsekar Technical Campus with the skills, knowledge and insights required for a wide array of activities in multi-disciplinary technical education.

Depending on their interest and aptitude, students graduating from this campus can pursue careers of their choice. These courses will surely prepare them for a challenging and rewarding career and in many ways allow them to shape the sunrise industries of India tomorrow.

BURHAN HARRIS
Hon. Executive Chairman, Board for Institutions in Navi Mumbai,
Anjuman-I-Islam, Mumbai

Inspiring a Global Generation!

Dear Student,

May Peace be upon You!

Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) has a tryst with excellence. We strive for excellence by ensuring a trinity of superlatives: Students, Faculty and Infrastructure; cohabit in a congenial and conducive environment. Since its inception, the campus has remained committed to creation, archiving and dissemination of knowledge in Engineering, Technology, Architecture and Pharmaceutical sciences for the service to the humanity. We aspire to carry out "Innovative teaching for exuberant learning" based on research in the frontiers of science and technology. Our focus is to develop professionals with sound domain knowledge, skills, respect for profession, social values, citizenship and ethics. To foster all round development of students, we have designed an extensive menu of techno-scientific, co-curricular and extracurricular activities. We regularly invite the leaders and motivators of all walks of life and encourage the students to share time and space with them. I wish all candidates success and look forward to a great time with them on this vibrant campus.

Rewrite Rules, Retain Values.

ABDUL RAZAK HONNUTAGI
Director, AIKTC, New Panvel.

Deans at the Helm

SCHOOL OF ARCHITECTURE

Dear Student,

At AIKTC School of Architecture, we believe that design is not a subject but a way of thinking. Thus an education in Architecture derives its basic principles from physics, engineering, psychology, economics and management.

With this belief, the School of Architecture's faculty is committed to fulfilling the mission "to nurture young professionals in architecture with critical ability to design built environments that are innovative, inclusive and sustainable in response to the cultural and functional needs of the society within a socio-economic, ethical and technological framework.

AIKTC campus is an ideal place for this kind of multi-disciplinary learning. The first three batches have already made a mark for themselves through their creativity, enthusiasm and hard-work. Equipped with an excellent infrastructure and creative environment, the school will evolve and emerge as one of the leading centers for architectural design and research in Maharashtra.

Preeti Pansare

Dean- School of Architecture, AIKTC, New Panvel.

SCHOOL OF PHARMACY

Greetings!!!

Pharmaceutical scientists play a significant role in general health care, by contributing to greater life expectancy and better quality of life. The complexities of life and health care have grown out of proportion in the recent past. The responsibility of a pharmacist therefore increases dramatically as there is a need to develop new drug molecules and better delivery systems for cure of several life threatening diseases. There is a steady increase in the demand for qualified professionals. The challenge with every institution lies in creating an exceptional professional with a great potential in terms of universal capability.

At AIKTC School of Pharmacy, we believe in producing multifaceted health care professionals with a strong commitment and deep desire to contribute to the society. Established in the year 2011, the institute is being nurtured with utmost care by the team of dedicated faculty members and supporting staff with a vision to reach a new height in educational achievement. In the years to come, this institution will be one of the top ranking institutions in the country.

BE A PART OF THIS SCHOOL OF EXCELLENCE TO ACHIEVE LANDMARK IN PHARMACY EDUCATION !!!

DR. RAJANI SHETTIGAR

Dean- School of Pharmacy, AIKTC, New Panvel.

ANJUMAN-I-ISLAM'S KALSEKAR TECHNICAL CAMPUS

New Panvel - 410 206.

Approved by All India Council for Technical Education (A.I.C.T.E.), Council of Architecture, New Delhi, Pharmacy Council of India, New Delhi (in process), Recognized by Directorate of Technical Education (D.T.E.), Government of Maharashtra & Affiliated to University of Mumbai.

Our Vision

Anjuman-I- Islam's Kalsekar Technical Campus will emerge as one of the pre-eminent and most sought after technical institutions by building on the traditions of innovation, problem solving and multi-disciplinary collaboration to meet the changing needs of society.

Our Mission

To advance the intellectual and socio-economic condition of the Muslim minority and fellow citizens of the country by offering quality teaching-learning, research avenues and service.

Our Strategies

- 🔹 Inculcating Discipline
- 🔹 Promoting clear systems and procedures
- 🔹 Continuous upgrading in infrastructure
- 🔹 Employing Committed & skilled Personnel
- 🔹 Continuous improvement in teaching skills
- 🔹 Planned Operation

Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) is a hi-tech bustling Campus spread over 10.58 acres of land, launched with the support of philanthropist Haji Abdul Kalsekar Sahab. The proposed International Airport site is just across the road from AIKTC.

Kalsekar Technical Campus is managed by the prestigious Anjuman-I-Islam Trust.

AIKTC is recognized by the Directorate of Technical Education (D.T.E.), Mumbai, approved by All India Council of Technical Education (AICTE), New Delhi & Council of Architecture, New Delhi and is affiliated to University of Mumbai. We are currently in the process of obtaining approval from Pharmacy Council of India, New Delhi.

AIKTC has state-of-the-art infrastructure and instructional facilities for undergraduate students in various functional areas of specialization, viz, four years of Undergraduate Bachelor of Engineering & Pharmacy as well as five years of Bachelor of Architecture.

AIKTC understands the importance of knowledge management, dissemination, sharing, integration, updation and application of knowledge. This means that when AIKTC students graduate, they do not just have knowledge but they also know how to use it innovatively. Thus we commit to produce highly employable and entrepreneurial graduates.

"Innovative Teaching, Exuberant Learning!"

Students' Awards and Achievements during 2013-14

- ★ 1st & 2nd prizes (Project Inclino) in an international event TECH FEST 2014 of IIT Bombay by Third Year Civil Engg. students.
- ★ 1st & 4th prizes in an international event TECH KRITI 2014 of IIT Kanpur by Second Year Civil Engg. students.
- ★ 3rd prize at IEEE National Conference held at RAIT Nerul by Third Year Student of EXTC
- ★ Student of Civil Engineering selected as an Ambassador for Western Region for "Techkriti 2014" event of IIT Kanpur.
- ★ Architecture students selected & a funding of Rs. 1.5 lacs given by IIT Bombay for Mithi river survey project.
- ★ Architectural Re-Design of Nagothane's Masjid Landscape is awarded to a student of School of Architecture.
- ★ 2nd prize for "C Programme Debugging" at RAIT, Nerul by Computer Engg students.
- ★ 1st prize for "Programme Debugger" in intra college event organized by AIKTC.
- ★ 2nd prize in 'Java Marathon' organized by RAIT, Nerul.
- ★ 1st prize in "Stick D Bridge" in "Aspire" organized by RAIT, Navi Mumbai.
- ★ Selected as speaker for KPY for "Research Avenues using Blender".
- ★ 1st Prize in project competition held in Dahanu thermal power plant.

**School of
Engineering & Technology**

SoET

BACHELOR OF ENGINEERING - B.E.

About the Programme:

The broad discipline of engineering encompasses a range of more specialized sub-disciplines, each with a more specific emphasis on certain fields of application and particular areas of technology. Engineering expertise and technology are major contributors to mining, construction, transportation and infrastructure. Use of current technologies & creation of new technologies are at the heart of the engineering profession. Engineering education must have an eye on the fruits of the profession's labour. Designing our educational program towards these ends will have a tremendous impact on the viability of the profession in practice. In the last quarter century, technology and society exhibited two defining characteristics: namely increasing rates of change and increasing complexity.

**Bachelor of
ENGINEERING**

Duration: 4 years

Intake: 420 seats

Admission & Eligibility Details on page 37

Prospective Courses

**B. E. (Direct Second Year) in
Electronics & Telecommunication Engg.**
Duration : 4 Years Intake : 60 Seats

**M. E. in
Construction Engineering & Management**
Duration : 2 Years Intake : 18 Seats

DEGREE COURSES IN BACHELOR OF ENGINEERING B.E.

Civil Engineering	120 Seats*
Computer Engineering	60 Seats
Electrical Engineering	60 Seats
Electronics & Telecommunication Engg	60 Seats
Mechanical Engineering	120 Seats
Total Intake	420 Seats

Civil Engg.: 120 seats divided into
1st. Shift : 60 seats
2nd. Shift : 60 seats

Civil Engineering

Duration: 4 years Intake: 120 seats*
 *1st Shift: 60 seats
 2nd Shift: 60 seats

Civil Engineering is a professional engineering discipline that deals with the design, construction and maintenance of the physical and naturally built environment including works like road, bridge, canal, dams, and buildings. The world's most iconic structures were built by civil engineers. Like the Romans, Egyptians and Mayans who built great civilizations before us, our civilization relies more than ever on teams of inventive people to design, build and maintain the sophisticated environment that surrounds us.

School of Architecture

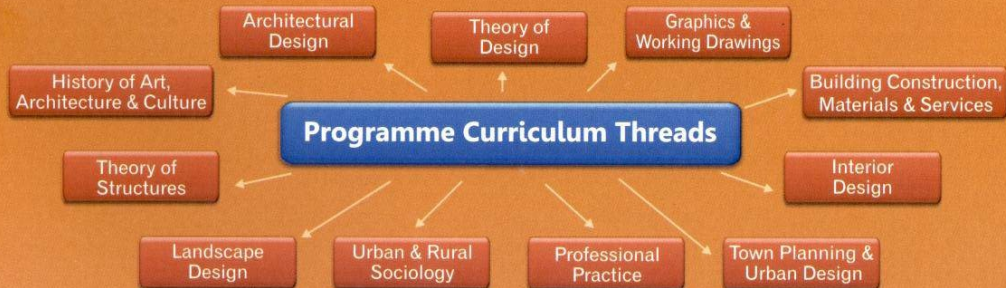

BACHELOR OF ARCHITECTURE - B. ARCH.

About the Programme:

The Bachelor of Architecture degree awarded by the University of Mumbai is a professional degree leading to registration as an "Architect" under the aegis and regulations by the 'Council of Architecture, New Delhi'. This allows a graduate to be a practicing architect- set up their own firms or join other large firms.

The 5-year under graduate programme in Architecture equips a graduate with an all-round ability to conceptualize, design and execute built environments- which may include small & large buildings- their architectural, interior and exterior landscape planning. This education also equips the architects to pursue many other art and design related creative fields.

SoA

Bachelor of ARCHITECTURE

Duration: 5 years

Intake: 40 seats

Admission & Eligibility Details on page 38

School of Pharmacy

BACHELOR OF PHARMACY - B. PHARM.

About the Programme:

Pharmacist is an essential part of the pharmaceutical and health care industry and plays an important role not only in providing patients with the best possible health care but also health care products. A Bachelor of Pharmacy degree leads to registration as a 'Pharmacist' by Pharmacy Council of India. The 8 semester (4 years) undergraduate programme equips a graduate with an ability to get on the fast track in one of the most dynamic industries in health care as Pharmaceutical Scientists with an extensive role: From Discovery to Delivery. The career puts one on the front line of patient care and offers opportunities for professional growth, exceptional financial rewards, and the chance to help people every hour of the day.

2.	Request for cancellation of admission is received before cut-off date & if a seat could not be filled in that course before the cut-off date	No Refund (except the security deposit)

Note:- Entire amount of Security/Caution Money Deposit is to be refunded to candidate.

Rules & Regulations

CONDITION OF MINIMUM ATTENDANCE:

The Students will not be allowed to appear for the examination if he/she does not attend minimum 75 percent classes of theory, practical, drawing etc.

ACTION AGAINST RAGGING:

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook (2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999 is in effect from 15th May, 1999 has the following provisions for Action against Ragging.

- Ragging within or outside of any educational institution is prohibited,
- Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.
- Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he / she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institute shall be final.
- If the Head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above. Any Acts or its amendments which may be published from time to time by AICTE, Government or Judgments by Hon. Supreme Court of India, Hon. High Court of Bombay etc will be applicable to Candidates and Institutions covered under these rules of admission
