(Late) Haji Abdul Razzak E. Kalsekar: A TRUE VISIONARY

(16 July 1931 - 10 August 2015)

Philanthropist & Pillar of Strength for Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel

Haji Abdul Razzak Esmail Kalsekar, fondly remembered as 'Haji Saheb' was a true idealistic visionary. His Clarion call to society "Quality Education is Mandatory for All" truly reflected his purity of thoughts.

His dedicated efforts to empower and enrich the society were based on the strong belief that Education is the pillar of any healthy society and only through Education can we eliminate the evils of poverty and disparity and build an equitable society.

He was a man who didn't believe in just giving charity to the needy, instead he empowered them strengthen hands through EDUCATION, so that they can earn with dignity and serve the society.

*"You carried us in your arms, cradled us in your heart.
You are now with the Protector,
You will always remain in our Prayers."*

*Lives of Great men all remind us
We can make our lives sublime,
And departing, leave behind us,
Footprints in the sands of Time.*

*You came into our lives,
And left footprints in our hearts.
And we will never, ever be the same.*

A humble tribute in gratitude,

**ANJUMAN-I-ISLAM'S
KALSEKAR TECHNICAL CAMPUS**

New Panvel, Navi Mumbai-410 206

President, Anjuman-I-Islam

Anjuman-I-Islam

A Proud Heritage

148 Years of Service in Nation Building

From modest beginnings, Anjuman-I-Islam has flowered into singular institution, unsurpassed in its efforts to spread education to the marginalized sections of the society.

Anjuman-I-Islam has over a period of time, since its inception, grown by leaps and bounds, continuing to give quality education to its students. Today it runs **97 institutions** and at a time approximately **one lakh ten thousand students** derive benefits from the education imparted by these institutions. It has about 3000 teaching and administrative staff who make these efforts a success.

Anjuman-I-Islam is leading educational conglomerate and social organization of India, **established in the year 1874**, by a group of visionaries led by **Justice Badruddin Tyabji**. Its first heritage structure came on the piece of land donated by Mr. Mohammed Ali Roghay. The Founders of Anjuman-I-Islam proactively participated in India's freedom struggle and established Anjuman-I-Islam as a symbol of Secularism and National Integration. It was also the beginning of a movement to support community's advancement in education and social standing.

Today, after **148 years**, Anjuman-I-Islam Trust runs the dynamic leadership of **Dr. Zahir I. Kazi**. **He is the radiologist by profession**. Anjuman-I-Islam has numerous Institutions from K.G (kinder garden) to diploma in Engineering, graduation and post-graduation in Engineering, Pharmacy, Architecture, Unani Medicine, Law, Arts, Commerce, Economics, Hotel Management and Catering, Management Studies, Home Science and Ph.D. in Engineering and Urdu across Maharashtra in various cities like, Mumbai, Navi Mumbai, Raigad, Pune, Solapur, Panchgani etc.

Over the years, many national and International eminent personalities visited Anjuman-I-Islam and applauded its Secular Credentials in National Integration.

Congratulations
Grads

Kudos to Final Year Toppers 2020

Ignite the Passion within You!

Dear aspiring student,

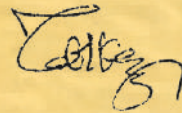

Welcome to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC), the most modern and high-tech educational campus of Navi Mumbai. AIKTC came into existence by the progressive approach and efforts of Anjuman-I-Islam, the foremost prestigious educational and social organization of India established 148 years ago.

We proudly acknowledge the dreams of the stalwarts who were part of the freedom struggle of India, realizing the need of an education system during the British rule. Due to their far sighted vision, Anjuman-I-Islam on behalf of its 97 institutions and one lakh ten thousand students, fulfils the educational requirement of the most underprivileged sections of the society today. We wish to expand the magnitude of Anjuman-I-Islam by providing quality education at lowest possible cost and ensuring that no student is deprived of education due to lack of finance.

Recently, Anjuman-I-Islam was conferred upon the prestigious Sir Syed Excellence National Award by Aligarh Muslim University (AMU) on 17th October 2020 proudly commemorated as Sir Syed Day at a virtual ceremony. Anjuman-I-Islam was awarded for its exemplary efforts and contributions in the field of education among the Muslims and marginalized sections of the society. At AIKTC, you will have the pleasure of experiencing quality education through its world class infrastructure and diligent faculties equipping you with the latest trends and practices of the industry to keep you going on the path of professional success. The college is NAAC accredited and offers all kinds of government scholarships and financial aid to the eligible ones.

We believe, education is about creating LEADERS for tomorrow...

Do you wish to be a Leader??? If YES, then welcome to AIKTC.

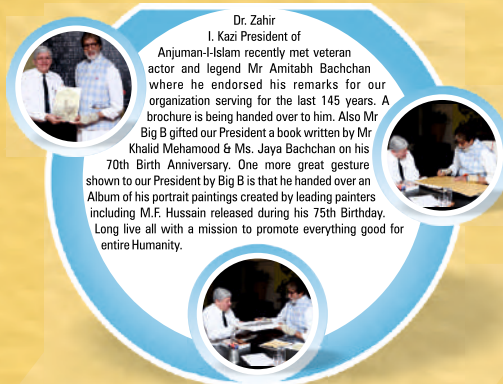

DR. ZAHIR I. KAZI

Hon. President, Anjuman-I-Islam

Dr. Zahir I. Kazi, Hon. President AI, had the honour of meeting with our Dynamic Prime Minister, Shree Narendra Modiji.

Dr. Zahir I. Kazi President of Anjuman-I-Islam recently met veteran actor and legend Mr Amitabh Bachchan where he endorsed his remarks for our organization serving for the last 145 years. A brochure is being handed over to him. Also Mr Big B gifted our President a book written by Mr Khalid Mehamood & Ms. Jaya Bachchan on his 70th Birth Anniversary. One more great gesture shown to our President by Big B is that he handed over an Album of his portrait paintings created by leading painters including M.F. Hussain released during his 75th Birthday. Long live all with a mission to promote everything good for entire Humanity.

Dr. Zahir Kazi, Hon. President AI, received the **National Education Award** at an event organized by ABP News at Taj Lands End

Forge Ahead

Dear student,
Hope you are safe and secure during this pandemic.

I congratulate you for successfully passing your qualifying exams during COVID-19 pandemic. Your continued dedication towards education is phenomenal. Today, you are capable enough to find the right career choices and admit yourself into a college like AIKTC for higher education, thanks to the indispensable devotion of organizations like Anjuman-I-Islam.

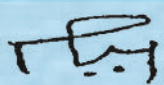

My father, Late Haji Abdul Razaq Kalsekar Sahab affirmed that the noblest deed is to educate someone whose impact will never fade away in-fact it will keep paying off till his last breath. I whole heartedly appreciate and acknowledge Anjuman-I-Islam for providing affordable quality education for the last 148 years.

Amongst the various institutions of Anjuman-I-Islam, AIKTC offers advanced system of educating its students to transform them into a competent and confident technical professional. Since its inception, AIKTC is continuously refining its system and recently received accreditation from NAAC. We encourage you to explore newer opportunities, follow your dreams and convert them into reality.

We believe that a right step in the right direction, at the right time and right place can change the course of entire life.

I pray to the Almighty for your brighter future and remarkable success.

The reward of every good deed will always be better than what was offered.

MR. SALIM ABDUL RAZZAK KALSEKAR

Chairman : A. E. Kalsekar Educational and Welfare Trust, Mumbai.

Dream Big!

Dear student,

Greetings from AIKTC, an amazing integrated technical campus for the aspiring technocrats.

Technical education is the most important need of the hour where students can shape their ideas into action and be the leaders of the industry. Let us move ahead from the general courses to the most direct technical education system where job based skills are imparted.

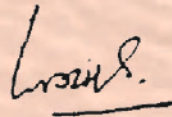

We are living in the age of Science & Technology wherein the whole kit and caboodle surrounding us is based on some technical traits or applications. Our pattern of life has changed completely in comparison to the way people lived 50 years ago. Due to automation, our way of sustaining livelihood has been changed from our bare hands to the usage of modern machines. So, now the time has come for us to train the young minds as per the technical requirements and expectations of the present.

A technical campus like AIKTC moulds dedicated students into Architects, Engineers and Pharmacists for creating and functioning the modern system and technologies as per the global standards. We have the best human resources who enjoy teaching and training the AIKTCians into skilled manpower of the industry. Due to fierce competition of employment, we also encourage and promote incubation and start-ups to make our students self-reliant (ATMA-NIRBHAR).

We also, take special care in educating the under privileged or the marginalised sections of the society and at AIKTC nothing will stop you from being an employable graduate. Anjuman-I-Islam through AIKTC has envisioned to drive excellence in technical and professional education for making you the best.

It is said that **people without goals, work for people who have goals...**

So, if you have realized your goal; then AIKTC is for you.

G. A. R. SHAIKH

Hon. General Secretary, Anjuman-I-Islam

Inspiring a Global Generation!

My dear student,

Hearty welcome to Anjuman-I-Islam's Kalsekar Technicial Campus. It is one of the highly acclaimed institutions in the history of Anjuman-I-Islam. From the beginning of this campus, we are remarkably successful in imparting quality technical education through sincere and honest practices, thus building an ambit of great work culture.

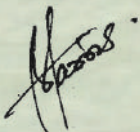

We are continuously upgrading our teaching-learning system by imparting innovative teaching methodologies both online and offline. During this ongoing pandemic, we have ensured excellent delivery of concepts by the faculties through online portals and special care is taken during practical hours through virtual laboratories. We keep ourselves in tune with the changing dynamics of the industry so as to develop time tested techniques, values and experiences. Our campus is accredited by NAAC and our next step is to get all our programs accredited by NBA for various research opportunities.

We enable every student to explore new realms of knowledge, skills, attitude and wisdom. In this campus, we produce knowledgeable technical professionals having right attitude, character and inspiring mind, thus making them lifelong learners. For this, we do all that is required to be done for you.

By the time you complete your tenure in this campus, you get equipped to tackle every technological challenge or otherwise, with a view to provide solutions.

Wishing you highly rewarding academic years ahead and the most memorable stay on the campus.

"With you.... till you do not need us in any way".

BURHAN HARRIS
Hon. Executive Chairman,
Board for Institutions in
Navi Mumbai,
Anjuman-I-Islam

A Decade of Innovative Teaching, Leading & Learning

Refine & Define, Reach & Teach

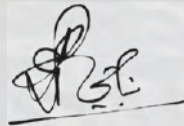

If you believe in yourself and is ready to work hard i.e. push yourself 1% extra compared to others, then you are at the right place i.e. AIKTC. We are providing excellent technological education to our students for being successful in the continuously developing world. It is our innate pride to have been functioning under Anjuman-I-Islam, Mumbai imparting quality education to develop knowledge, skills, and characters which are committed to human developmental goals and global well-being.

The New Education Policy highlighted the need and benefits of multidisciplinary institutions, AIKTC offers multidisciplinary technical education i.e. Architecture, Engineering and Pharmacy since 2010. Our integrated campus provides increased access, even-handedness, and inclusion of the various challenges and opportunities of the future to the students. We have the latest infrastructure wherein our students learn experientially through various technical devices and tools at campus or virtually. With teaching, our faculties continuously involve the students in research-intensive activities to develop their critical thinking, collaboration and problem-solving skills; so that after graduating, they can have their own start-up and become atma-nirbhar.

Our students are academically rigorous, integrated and aligned with the needs of industry. We also emphasise on inculcating universal human values, professional development and right attitude to fortify your potential to thrive successfully.

Wishing you a happy, engaging and successful learning experience at AIKTC & be an integral part of Innovative Teaching & Exuberant Learning (iTeL).

We must know enough to know that we do not know!

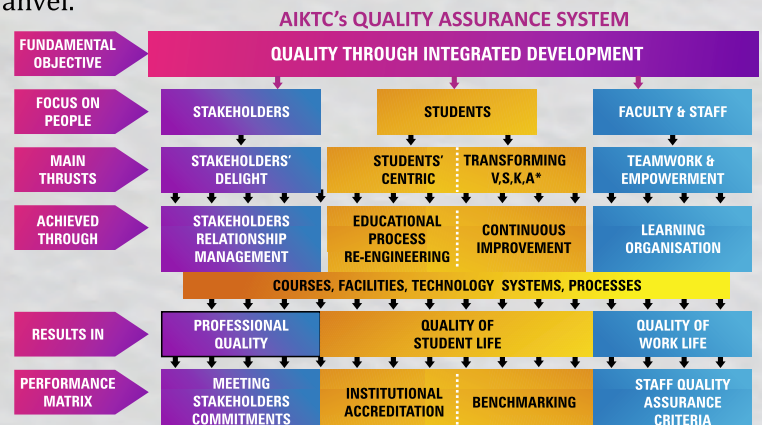

Dr. ABDUL RAZAK HONNUTAGI

Founding Director,
AIKTC, New Panvel.

AIKTC's SCHOOL OF ARCHITECTURE

Greetings!!!

What is architecture ? is a question particularly asked by students who are looking for architecture as their future career. For me architecture is about happiness. The happiness of creation. that comes from within. A commitment to yourself to make somebody happy through our own creativity. Creativity is a science, that extracts realism from abstraction. Abstractions takes place when one wants to express the process of thinking and interpretation of the contextual background. Architecture thus is that science which bridges the gap between abstraction and reality through creative critical mind mapping. It is a science which turns

imagination into design elements which caters to the future. Understanding culture, nature and the contextual background which can be expressed through different ideas of built forms is what is construed in the students by our enthusiastic faculty at School of Architecture. Here at SoA we inculcate a positive attitude, sense of responsibility towards mankind and nature and respect to our tradition and culture in the student through our collaborative teaching methodology. Our students are our biggest assets and we nurture them with great care and work constantly towards their futuristic goals through our best possible teaching abilities. We try and promote a school of thoughts which makes the student able to face all the challenges ethically research and become a creative thinker for inventing sensitive designs. Architecture thus becomes the most interesting career option which works through a process leading towards the reality at AIKTC, School of Architecture.

Come join us for life changing fun based learning experience of design and creativity!

PROF. RAJ MHATRE

I/c Dean- School of Architecture, AIKTC, New Panvel.

AIKTC's SCHOOL OF PHARMACY

Greetings!!!

Healthcare and the profession of Pharmacy is constantly evolving globally. Pharmacists are playing a significant role in general health care, by contributing to greater life expectancy and better quality of life

The responsibility of a pharmacist therefore increases dramatically as there is a exponential increase in disease burden on society.

At AIKTC School of Pharmacy, we believe in producing multifaceted health care professionals with a strong commitment and deep desire to contribute to the society. Established in the year 2011, the institute is being nurtured with utmost care by the team of dedicated

faculty members and supporting staff with a vision to reach a new heights in educational achievement. Our dedicated faculty help and inspire students to achieve their goals

I invite you to be a part of this school of excellence to achieve landmark in pharmacy education.

DR. SHARIQ SYED

I/c Dean- School of Pharmacy, AIKTC, New Panvel.

AIKTC

SCHOOL OF ENGINEERING & TECHNOLOGY

SoET

BACHELOR OF ENGINEERING - B.E.

About the Programme:

Engineering is the application of mathematics and scientific, economic, social, and practical knowledge in order to invent, innovate, design, build, maintain, research and improve structures, machines, tools, systems, components, materials, processes, solutions and organizations. The discipline of engineering is extremely broad and encompasses a range of more specialized fields of engineering, each with a more specific emphasis on particular areas of applied science, technology and types of application. AIKTC offers five programmes of Engineering and Technology at undergraduate, post graduate and doctoral level. Outcome Based Education (OBE) philosophy is implemented here.

The Department of Civil Engineering boasts of state-of-the-art facilities with highly experienced and well qualified proactive faculty members. It has 10 laboratories well equipped with modern machinery, equipments and instruments necessary for testing, research and development. Students have consistently won 1st, 2nd and 3rd prizes at Tech Fests of both IIT Bombay and IIT Kanpur over the years. Their works were appreciated and approbated by the IITians. Post Graduation program in Construction Engineering and Management has commenced from 2014-15. The department has also been granted Ph.D. Research Center by the University of Mumbai from the year 2017-18.

Vision

To be the most sought after academic, research and practice based department of Civil Engineering that others would wish to emulate.

Mission

Creating Exuberant Civil Engineering Professionals.

B.E. (CIVIL ENGG.) BATCH 2014-18

They call graduates a product of an "Ivory tower", but not at AIKTC, with Professors who are Highly Motivated, Qualified and more importantly with Experience of the industry, imparting their knowledge with much ease and closing the gap between theory and practical applications helped me to stay motivated in

Intake : 60 seats

Computer Engineering is a huge spectrum having various domains like Computer Programming, Information Analysis and Prediction, Networking and Data Security, Internet and World Wide Web, Software Programming, Design and Development, etc. The world is advancing today at a rapid speed due to the use of computers in all fields of education, research, design and development. Programmers Club (By the students and For the students) is a worthy initiative providing guided freedom to our students for their creative expression. Young, enthusiastic, energetic and responsible faculty, staff and the state-of-art infrastructure are the key assets here.

Vision

To be the most sought after academic, research and practice based department of Computer Engineering that others would wish to emulate.

Mission

Creating Exuberant Computer Engineering Professionals.

The Department of Electrical Engineering offers a vibrant environment for undergraduate education and research, and is committed to the advancement of the frontiers of knowledge in electrical engineering, thus providing students with a stimulating and rewarding learning experience.

The modern, well-equipped laboratories are recognized for research work of faculty members, encompassing a wide gamut of sub-disciplines of electrical engineering in collaboration with researchers from other disciplines, from within and outside the institute. The department is strong with their senior faculty members who are experts in various fields of electrical engineering that include Power System Restructuring and Reforms & Digital Processing.

Vision

To be the most sought after academic, research and practice based department of Electrical Engineering that others would wish to emulate.

Mission

Creating Exuberant Electrical Engineering Professionals.

KHAN FARAZ
Second Rank (CGPI-8.93)

My four years of Engineering at AIKTC have been excellent and a memory to cherish for a lifetime. The years spent here have been full of learning opportunities that were full of fun and sometimes with the academic grind that one has to go through. I have received great support from all faculties, they were very supportive and encouraged us to be a part of all events. In the placement process of our college, everyone is working really hard for all students so that they could get easily placed in best companies.

Society relies on Electronics & Telecommunications for breakthrough in applications such as Satellites, Next Generation Mobile Phones, Air Traffic Control, etc. Employment opportunities for EXTC engineers are growing rapidly. They include manufacturing of audio and visual broadcasting and receiving equipments, interfaces, security devices, communication equipment, etc. Telecommunication has to be acknowledged as a vital ingredient for technology that is continuously growing by leaps & bounds. The department boasts of a dynamic team of faculty and staff dedicated to students' learning and engagement. It has signed MoUs with many industries such as Reliance Jio, Eduvance Pvt. Ltd. etc.

Vision

To be the most sought after academic, research and practice based department of Electronics and Telecommunication Engineering that others would wish to emulate.

TOM & Vibration Lab

The role of a mechanical engineer is to take a product from an idea to the marketplace. To accomplish this, the mechanical engineer must be able to determine the forces and thermal environment that a product, its parts, or its subsystems will encounter; design them for functionality, aesthetics, and durability; and determine the best manufacturing approach that will ensure operation without failure. Mechanical engineers play key roles in a wide range of industries including automotive, aerospace, biotechnology, computers, electronics, microelectromechanical systems, energy conversion, robotics and automation, and manufacturing. The American Society of Mechanical Engineers (ASME) currently lists 36 technical divisions, from advanced energy systems and aerospace engineering to solid-waste engineering and textile engineering. The breadth of the mechanical engineering discipline allows students a variety of career options beyond the industries listed above. Regardless of the particular path they envision for themselves, a mechanical engineering education empowers students with creative thinking skills to design an exciting product or system; analytical tools to achieve their design goals; the ability to overcome all constraints; and the teamwork needed to design, market, and produce a system. These valuable skills can be applied to launch careers in many other fields, such as medicine, law, consulting, management, banking, and finance.

Vision

To be the most sought after academic, research and practice based department of Mechanical Engineering that others would wish to emulate.

Mission

Creating Exuberant Mechanical Engineering Professionals.

Prof. Arif Iqbal Shaikh (FE Controller)

Bonhomie 2020 Fuerza

27 January- 04 February 2020

- The Council of Students (COST) of AIKTC organized Annual Sports, Cultural and Technical Fest, BONHOMIE 2020 Fuerza. All the dignitaries were received, escorted and given Guard of Honour by the Parade and Band team of AIKTC upon their arrival.
- Mr. Burhan Harris (Exe. Chairman, BINM, AI) presided the inaugural event on behalf of Dr. Zahir Kazi (President, AI) in the presence of Guest of Honour Dr. Jay Bhandarkar. A total of 12 technical events, 29 cultural events & 23 sports were organised where a record 5089 students participated.

- The winners were awarded in a wonderful valedictory ceremony in the presence of Mr. Burhan Harris and Chief Guest Mr. Fayaz Khan (Manager, Town Planning, CIDCO Ltd. Navi Mumbai). Dr. Abdul Razak Honnutagi (Director, AIKTC), Mr. Burhan Harris shared the recent achievements of AIKTC and encouraged the students to participate in such events to explore their hidden talent and showcase their creativity.

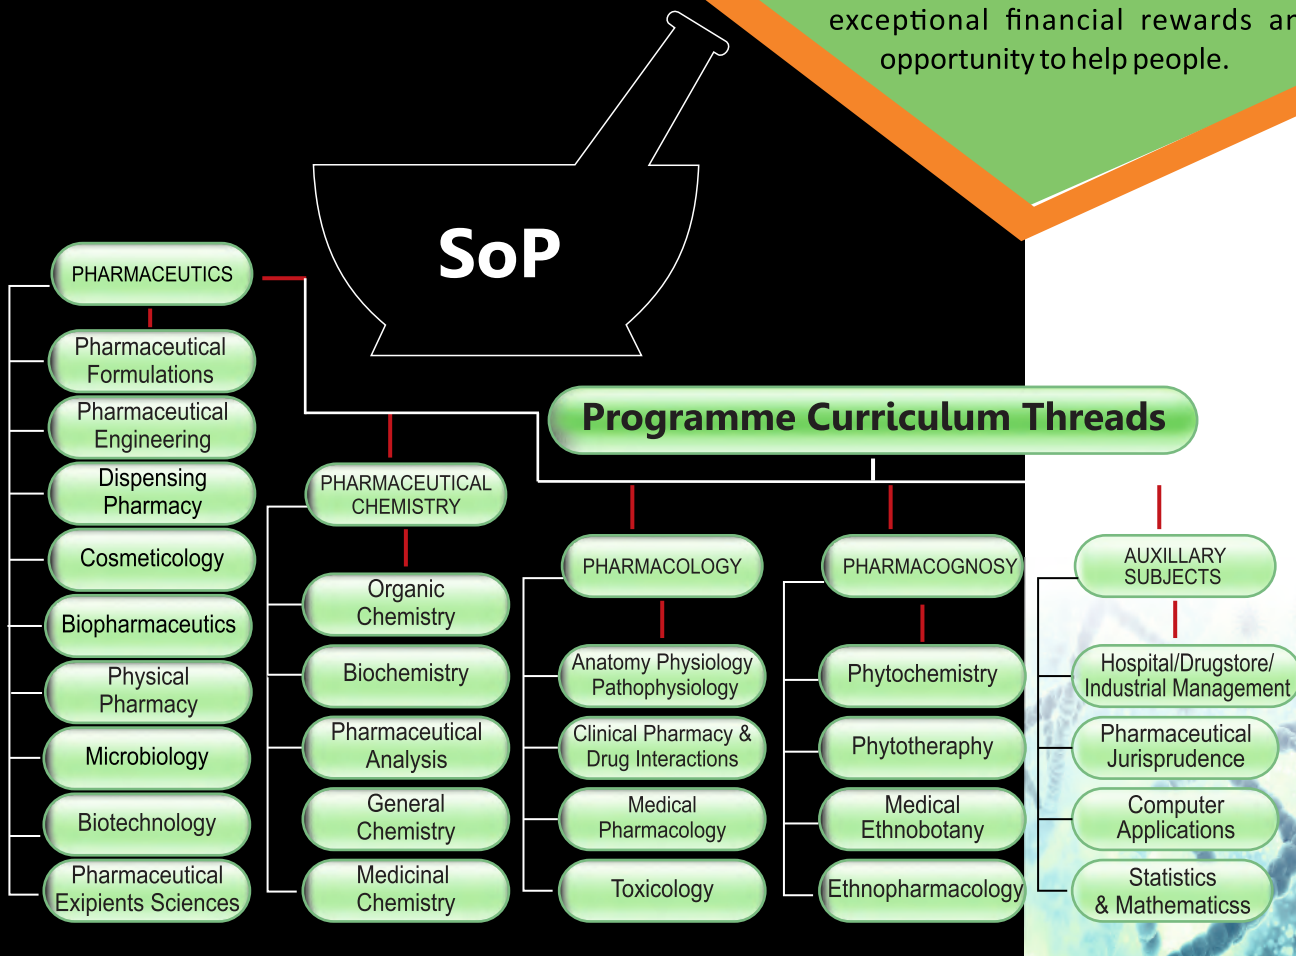

- More than 175 winners received trophies, medals, mementos and 2000 certificates for participants, coordinators and volunteers for their motivation. Students, faculty and staff members enjoyed and participated with full enthusiasm. Thus, the highly vibrant and exuberant, 9 day long gathering ended on a very positive note

About the Programme:

A Pharmacist is an essential part of the pharmaceutical and health care industry and plays an important role not only in providing patients with the best possible healthcare but also healthcare products. A Bachelor of Pharmacy Degree leads to registration as a 'Pharmacist' by the Pharmacy Council of India. The 8 semester (4 years) undergraduate programme equips a graduate with an ability to get on the fast track in one of the most dynamic industries in health care as Pharmaceutical Scientists with an extensive role: From Discovery to Delivery. The career puts you on the front line of patient care and offers opportunities for professional growth, exceptional financial rewards and opportunity to help people.

Bachelor of PHARMACY

DTE Code : PH3439

Duration: 4 years

Intake: 100 seats

Cosmeticology Lab

Pharmacology Lab

Pharmacognosy Lab

Pharmaceutical Chemistry Lab

SoP Mission Elements

- To implement the Outcome Based Education (OBE) model to conform to our belief "Students Learn What We Teach".
- To encourage and upgrade teachers for innovative teaching skills, research and practice in Pharmacy.
- To provide necessary facility, machinery, equipment, atmosphere and ambience that would enable quality academics, research and practice in Pharmacy.
- To create an eco-system for professional competition and reward mechanism.
- To prepare and encourage students for direction and career of their choice. Be it higher studies, entrepreneurship, employment, research and innovations.

SoP Vision

To be the most sought after academic, research and practice based School of Pharmacy that others would wish to emulate.

SoP Mission

Creating Exuberant Pharmaceutical Professionals.

SoP Programme Educational Objectives

- Build upon **comprehensive knowledge** of pharmaceutical sciences.*
- Be **significant contributory pharmaceutical professionals** in pharmaceutical and allied sectors.*
- Emerge/Act as **social responsible** & ethically strong professionals.*
- Be **emotionally intelligent** contributory members of society.*

AIKTC School of Pharmacy Events, Seminars & Workshops

1. One of the Best Anchor Award was won by Ms. Amina Hajwani at DLLE Fest UDAAN, University of Mumbai
2. First prize was won by Mr Yahya Shaikh at Ignition Competition 2020 at VES College of Pharmacy
3. Prizes bagged by Mr. Vedant Samant, Ms. Chandni and Mr. Saddam Idrisi at Rx Fest held for all colleges under University of Mumbai.
4. Mini workshop on Handling and Maintenance of Zebrafish Facility was conducted for external post graduate students.
5. Poster presentation by Ms. Amina Hajwani, Ms. Afreen Khan, Mr. Jeehan Chaudhary, Mr. Mohammed Ilyas in one day national seminar on encapsulating targeted drug delivery systems at MET College, Bandra.
6. Poster Presentation by Mr. Vedant Samant and Mr. Aadil Malik at Mega Industry—Institute Connect, KGRD College of Pharmacy, Karjat.
7. Paper presentation by 5 project team of Final Year students at IPCA 2020, Chennai.
8. Celebration of UDAAN Annual MU Fest at AIKTC by extension students.
9. Institutional Animal Ethical Committee (IAEC) Meeting and LIC meeting.
10. Pre-diabetic and Haemoglobin Health Camp, Student Solar Ambassador Workshop on 2nd October 2019 in collaboration with IIT, Bombay as a Part of Unnat Bharat Abhiyan activity of Ministry of Human Resource and Development.
11. Drug Awareness and Drug Interactions amongst cardiovascular drugs, Antitubercular drugs, drugs to be avoided during pregnancy, prevention and treatment of dengue on eve of world pharmacist day celebration.
12. Physiotherapy, Ophthalmology, Orthopaedic, Blood donation, Know your Health, Innovative booth competition and General Health Camp on eve of world pharmacist day celebration.
13. Sanitation and First Aid Awareness at Seawood Abyasika, Seva Sangh, NGO based school for underprivileged children by Extension students.
14. Industrial Visit at Influx Healthcare, Palghar for Second Year students.
15. One day workshop on Research Methodology for Final year students.
16. Nutrition education awareness in BMC School, Kurla, Environmental Awareness Camp at Panvel, Awareness on corona Disease at Central Park-Kharghar, Skin disease awareness camp for helpers, Stress Management workshop at AI School, Turbhe, Distribution of Hand Sanitizers prepared by Extension students to slums in Sion during Pandemi by Extension students.
17. Workshop on Ointment, Bottle filling & Bottle washing machine
18. Awareness on Safe and Effective Medicines at Orion Mall, Panvel.
19. Population Education Club Launch for social cause and awareness.

SHAIKH MD UMAR
Second Rank (CGPI-9.36)

My experience at AIKTC is great and memorable. I am thankful to all the facilities, mentors and entire SOP department for providing us with quality education. Campus provide good laboratory facilities and classrooms. Huge respect and love

for entire faculty member and department.

About the Programme:

Architecture is the art and science of designing buildings and structures. It's journey which requires Creativity, Passion, Confidence, Imagination, Good Communication, Drawing and Sketching skills. It includes within its scope the design of any built environment, structure or object, from Town Planning, Urban Design, Landscape Design to Furniture Design. The objective of the Course is to nurture Young Professionals who are sensitive designers with sound technical knowledge to address Society's concerns. This 5 year course is divided into Basic Course (1st to 3rd year) and Advanced Course (4th and 5th year). First three years is more of self exploration, interaction with small communities to understand their needs and Design for them. In the Advance Course the focus is to understand larger communities and masses to be able to design at Urban/City level. Finally one can say that Architecture is a very broad and humanistic field which demands you to be sensitive towards arts, aesthetics and possess sound knowledge in the fields of Engineering, Logistics and Ergonomics.

Scope of Architecture

SoA Mission Elements

- To train professionals with competency to conceptualise, plan, design and detail, Built Environments and Spaces for human habitation, for all present and future uses and functions of the society.
- To foster an understanding of Private, Semi-public and public realms, to be able to recognize their differing needs and providing solutions within the socio-economic, legal and ethical framework.
- To train designers to meet the New Environmental challenges for sustainable lifestyles.
- To create a sound base in architectural technologies.
- To foster creativity and lateral thinking (between different fields of design) to be able to provide appropriate design solutions.
- To inculcate a sound base of architectural theory and history to create a comprehensive awareness about Architecture as a Discipline.
- To understand its relationships with other branches of knowledge such as liberal arts, sociology, economics and science.

Build your Success on a Strong Foundation

Academic Exhibition

Lime Plaster Workshop

Long Span Structure Workshop

Study Tour to IIM Ahmedabad

Kamu Iyer Design Competition

Metal workshop to construct Warren Truss Bridge Girder

Mud Idol Making Workshop

Study Tour to Step well at Bhuj, Kutch, Gujarat.

AIKTC School of Architecture: Events, Seminars & Workshops

KOLLOQUY: An inspirational seminar series- discourse in sustainable practices. Three guest speakers Dr. Smita Khan, Ar. Yashita Shah and Ar. Dhruvang Hingmire have shared their experience in materials and unconventional techniques of design, green building project and environmental interaction followed by a panel discussion.

KARYASHALA: Hands on workshops on Mud Idol by Krupa Shah, Eco Brick Workshop by Tajuddin Ansari and Natural Plaster by Ar. Ashwin chari.

Kamu Iyer Design Competition: An yearly architectural competition held for third year students for all architecture colleges in Navi Mumbai.

QALEEN Magazine release: A yearly magazine published by AIKTC-School of Architecture.

Play performed by third year students on Secularism and Unity in Diversity during annual UDAAN Festival 2019-20 undertaken by DLLE, Department of University of Mumbai. It was hosted by AIKTC with 300 students across more than 20 colleges of Navi Mumbai.

Two days Bamboo Workshop was conducted for second year students in design studio.

A Timber Workshop was conducted for second year students to understand building elements in timber and its detailing.

Rammed Earth and Lime Plaster Workshop was conducted for second year students at Hunnarshala Foundation.

Two days Workshop was conducted on Architectural Sketching and Representation for first year students by Ar. Anshul D. Sinha.

Three days Metal Workshop was conducted for third year students to Construct Warren Truss Bridge Girder to 1:5 Scale.

Hands on Workshop conducted for second year students which deals with learning from traditional/vernacular design principles. Workshop was conducted in three different stages. In first stage, students made adobe (sun dried mud) bricks using local soil. In second stage, students constructed two walls using the same adobe bricks made in first stage. In third stage, students dealt with bamboo joineries, designed and executed a bamboo assembly over adobe brick walls. Objective of workshop was to make students exposed to design detailing while handling natural building material.

Small Marathon-Run jog walk activity conducted under SHIFA for creating awareness amongst students about fitness.

TRAINING & PLACEMENT CELL

Campus Recruitment Training

Aptitude Training

Soft Skill Training

MoU with Blockology

The Placement Office is responsible for campus placement at AIKTC. The placement officer, the departmental Placement co-ordinators and the student representatives handle various crucial tasks in the office like reaching out to companies, scheduling & executing placement related activities and carrying out all official communication with recruiters and with students. The Training and Placement Cell not only carries out the placement activities of the students but organizes various development activities that help in personality grooming and also gives them platforms to express themselves and enhance their soft skills. The team TPO endeavors to strike a match between recruiter expectations and student aspirations. The Placement Office is well-equipped with excellent infrastructure to support every stage of the placement process.

Seminar on Cloud Computing

Career Building Seminar on a bigger tower
UPSC, MPSC, IAS, IES foundation course

Seminar on Scope of Java Full Stack Development
Artificial Intelligence & Machine Learning

Seminar on Higher Studies

Activities of the Placement Cell during Academic Year 2019-20:

- ✔ Soft Skills & Aptitude Training and other Personality Development Programmes through Curriculum.
- ✔ Seminars, Special Lectures, Career Guidance Programmes and Entrepreneurship Development Programmes.
- ✔ Placed in Domestic and Multinational Companies through ON/OFF Campus Recruitment.
- ✔ Motivated and Assisted Students in Industrial Training and Industrial Visits.

Rules & Regulations

CONDITION OF MINIMUM ATTENDANCE:

The Students will not be allowed to appear for the examination if he/she does not attend minimum 75 percent classes of theory, practical, drawing etc.

ACTION AGAINST RAGGING:

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook (2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999 is in effect from 15th May, 1999 has the following provisions for Action against Ragging.

- a) Ragging within or outside of any educational institution is prohibited,
- b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.
- c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
- d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he / she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institute shall be final.
- e) If the Head of the educational institution fails or neglects to act in the manner specified in section “d” above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section “b” above. Any Acts or its amendments which may be published from time to time by AICTE, Government or Judgments by Hon. Supreme Court of India, Hon. High Court of Bombay etc will be applicable to Candidates and Institutions covered under these rules of admission

Eligibility Criteria for admission to First Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature Candidates, Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidature Candidates.

- (i) The Candidate should be an Indian National;
- (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained atleast 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State), in the above subjects taken together;

AND

The Candidate should have appeared in all the subjects in CET and should obtain non zero score in CET conducted by the Competent Authority or should obtain non zero positive score in JEE (Main).

OR

- (ii) Passed Diploma in Engineering and Technology and obtained at least 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State);

Eligibility Criteria for admission to Direct Second Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed minimum three years or two years (Lateral Entry) Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of Candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in any branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent;

OR

- (ii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) and passed HSC or its equivalent examination with Mathematics as a subject;

OR

- (ii) Passed D.Voc. Stream in the same or allied sector (refer Schedule III);
- (iii) Any other criterion declared from time to time by the appropriate authority as defined under the Act.

Eligibility Criteria for admission to Master of Engineering (M.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed Bachelor Degree in the relevant field of Engineering and Technology or Pharmacy from All India Council for Technical Education or Central or State Government approved institutions or equivalent, with at least 50% marks (at least 45% marks in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State);
- (iii) Passed Bachelor Degree in the relevant course of Engineering and Technology or Pharmacy as specified in the eligibility criteria for admission to a Post Graduate Degree course of the concerned University for which admission is being sought;
